Meeting with Town Manager Michael Dutton to discuss:

- a clear definition of the role of the Commission in the Town government and what its responsibilities are to the Town
- discuss the Superintendent of Parks and Recreation job description, whether the Commissioners will be included in the interviewing process for the next Superintendent, and what input they will have in the hiring process
- discuss plans for the management of the golf course and whether a separate job should be created for Superintendent of the golf course and what management the Commissioners would have for that position.
