Comprehensive Master Plan Presentation – Barrett Planning Group

Judy Barrett & Alexis Lanzilotta – Barrett Planning Group

Mr. Ajemian started with a question regarding if the Town is following the process for implementation of the plan. Mr. Driscoll asked if they had ever received the plan before Monday. Ms. Lanzilotta reviewed the timeline of previous drafts and workshops. Mrs. Barrett asked if the board needs more time to review this document before discussion. The Board discussed the goals moving forward and the need to post this document and allow for public comment. Mrs. Barrett suggested moving this to another meeting, so everyone gets the appropriate amount of time to review. The Board agreed more time would be appropriate for review, they would like the draft posted to the Town site for public to have easy access to the file. Mr. Driscoll also requested comments be provided by the board to Mrs. DeBoisbriand within the next 2 weeks and Barrett Planning will be at the January 19th meeting.

Mr. Driscoll pointed out a discrepancy in the school district section, involving addresses.

Public Comment:

Dr. Carlton Hunt, 81 Austin Street asked if all comments were included in the updated draft.

Ms. Lanzilotta noted that all comments were reviewed and most were included if they were not included there was a reason. She offered to share the Comment Resolution Matrix.

Mrs. Guarino updated the Board on various CPC items.
