MEETING SUMMARY:

You are invited to an informational meeting to learn about the proposed Town River Restoration Project, including the High Street Dam removal (a.k.a. Jenkins Pond Dam) and High Street bridge replacement. The Project Team will discuss findings from past work, current project status, key considerations, and project timeline. Project partners will be available to answer questions and will be seeking input from the public as they begin permitting. Partners include the Town, Milone & MacBroom Engineers, Massachusetts Division of Ecological Restoration, Massachusetts Division of Marine Fisheries, The Nature Conservancy, NOAA Restoration Center, US Fish and Wildlife Service, and M.E.M. Realty Trust. The public meeting will be held virtually via Zoom on **November 16, 2020, from 5:30pm – 7:00 pm.** Please contact Kristopher Houle at kris.houle@mass.gov with questions about the meeting.
