Order O-FY23-045: Ratification of Renewal Cable Television License Agreement: Comcast Cable Communication Management, LLC and Town of Bridgewater

ORDERED, in accordance with section 4-2 (15) of the Bridgewater Home Rule Charter, that the Town Council assembled vote to approve the negotiated agreement covering March 1, 2023 through February 28, 2033 with the Bridgewater Administrative Association.

Explanation:

With the assistance of the Cable Advisory Committee and the Town Attorney, the Town Manager has negotiated a franchise license agreement with Comcast. The proposed contract: Grants capital contributions to the Town of \$230,000; secured the maximum franchise fee of 5% for the Town and BTV; high definition for a local access channel; maintenance of the fiber connection from the Academy Building to the BTV studio as well as from BTV to Comcast; improved protection for private property owners; less costly underground line installations for some customers; credit for outages of longer than 24 hours; implements a new permitting requirement for any Comcast pedestals on Town road layouts; and the maximum senior citizen discount (negotiated as a side letter). It is important to note two things: One, Comcast does not have an exclusive franchise. Any other provider can negotiate an agreement with the Town. To date no other company is willing to enter into franchise negotiations. Two, the revenues that accrue to the benefit of the Town and BTV are derived from the cable television services and not from internet access. As more residents transition from traditional cable to streaming services only, the less the franchise fee will be.

(f) Should Licensee demonstrate that any such additional license(s) or other authorizations for similar wireline video service, have been granted on terms and conditions more favorable or less

burdensome than those contained in this Renewal License, or allowed by the Town without authorization, the Issuing Authority shall make equitable amendments to this Renewal License within a reasonable time.

(g) In the event that Licensee demonstrates that an existing or future Cable Service provider in the Town has been provided relief by the Issuing Authority from any obligation of its license, then Licensee shall be awarded an equivalent amount of relief from obligations herein. Such relief shall be in writing and in the form of an amendment to this License. The Issuing Authority shall convene a public hearing on the issue within sixty (60) days of Licensee's notification to the Issuing Authority requiring such relief, unless otherwise mutually agreed to. License shall provide reasons for its belief in the notification. At the public hearing, the Issuing Authority shall afford Licensee an opportunity to demonstrate that any existing or future service providers in the Town have been provided relief by the Issuing Authority from any obligation of its cable television license. (h) In the event that Cable Services are being provided to the Town by any Person(s) or Multichannel Video Programming Distributor other than Licensee, which is not in any way an affiliate of Licensee, and such Person(s) or Multichannel Video Programming Distributor is not required by applicable law to be licensed by the Issuing Authority, and to the extent that Licensee reports to the Issuing Authority, in writing, that the providing of such Cable Services by such Person(s) or Multichannel Video Programming Distributor is having a negative financial impact upon Licensee's Cable System operations in the Town, Licensee may request, in writing, that the Issuing Authority convene a public hearing on that issue. The Issuing Authority shall convene said hearing within thirty (30) days of receipt of a hearing request from Licensee.

(i) Along with said written request, Licensee shall provide the Issuing Authority with a written basis and written reasons for its determination of such negative impact. At the public hearing, the Issuing Authority shall afford Licensee an

opportunity to present the basis and the reasons for its determination. Licensee shall provide the Issuing Authority with such financial and other relevant information as is reasonably requested.

Licensee shall indemnify, defend and hold harmless the Issuing Authority, its officers, employees, and agents from and against any liability or claims resulting from property damage or bodily injury (including accidental death) that arise out of Licensee's construction, operation, maintenance or removal of the Cable System, including, but not limited to, reasonable attorney's fees and costs, provided that the Issuing Authority shall give Licensee timely (best efforts of 10 business days) written notice of its obligation to indemnify and defend the Issuing Authority within the timely receipt of a claim or action pursuant to this Section. If the Issuing Authority determines that it is necessary for it to employ separate counsel, the costs for such separate counsel shall be the responsibility of the Issuing Authority.

(b) Licensee shall carry insurance against all claims arising out of the operation of motor vehicles and general tort or contract liability in the amount of One Million Dollars (\$1,000,000). Policy will contain a provision that the Issuing Authority will receive thirty (30) days' written notice prior to any cancellation.

(c) All insurance coverage, including Workers' Compensation, shall be maintained throughout the period of this Renewal License. All expenses incurred for said insurance shall be at the sole expense of Licensee. SECTION 9.3 - PERFORMANCE BOND

(a) Licensee has submitted and shall maintain throughout the duration of this Renewal License and any removal period pursuant to M.G.L.c. 166A, § 5(c) a performance bond in the amount of Fifty Thousand Dollars (\$50,000) running to the Town with a surety company satisfactory to the Issuing Authority to guarantee the following terms:

and
- (4) the satisfactory removal or other disposition of the Cable System in accordance with M.G.L.c. 166A, § 5(f).

(b) Licensee shall not reduce the amount or cancel said bond, or materially change the terms of said bond from the provisions of Section 9.3(a) herein without the Issuing Authority's prior written consent. The Issuing Authority shall not unreasonably withhold its consent.

(c) The Issuing Authority may only draw upon the bond after taking action pursuant to Section 9.8 herein.

SECTION 9.4 - LICENSE FEES

(a) During the term of the Renewal License the annual License Fee payable to the Issuing Authority shall be the maximum allowable by law, per Subscriber served as of the last day of the preceding calendar year, payable on or before March 15th of the said year. Pursuant to M.G.L.c. 166A, § 9, this fee is currently fifty cents (\$.50) per Subscriber, but not less than Two Hundred Fifty Dollars (\$250) annually.

(b) In accordance with Section 622(b) of the Cable Act, Licensee shall not be liable for a total financial commitment pursuant to this Renewal License and applicable law in excess of five percent (5%) of its Gross Annual Revenues; provided, however, that said five percent (5%) shall also include (i) the PEG Access Annual Support (Section 6.4, (a) and (ii) any amounts included in the term "Franchise Fee" pursuant to Section 622(g)(1) of the Cable Act), but shall not include the following: (i) interest due herein to the Issuing Authority because of late payments; and (ii) any other exclusion to the term "Franchise Fee" pursuant to Section 622(g)(2) of the Cable Act.

(c) All payments by Licensee to the Town pursuant to this Section shall be made payable to the Town unless otherwise agreed to in writing by the parties.

SECTION 9.5 - REPORTS

(a) Licensee shall file annually with the Cable Division on forms prescribed by the Cable Division, a sworn statement of its revenues and expenses for official use only. In addition, Licensee shall also file with the Cable Division, a financial balance sheet and statement of ownership which

shall be supplied upon written request of the Issuing Authority. These requirements shall be subject to the regulations of the Cable Division.

(b) In addition, Licensee shall maintain for public inspection all records required by the FCC and as specified in 47 CFR §76.305 in the manner prescribed therein.

SECTION 9.6 - EQUAL EMPLOYMENT OPPORTUNITY

Licensee is an Equal Opportunity Employer and shall comply with applicable FCC regulations with respect to Equal Employment Opportunities.

SECTION 9.7 - REVOCATION OF LICENSE

The License issued hereunder may, after due written notice and hearing per Section 9.8 (Notice and Opportunity to Cure), be revoked by the Issuing Authority or the Cable Division for any of the following reasons:

(a) For false or misleading statements in, or material omissions from, the application submitted under M.G.L.c. 166A, § 4;

(b) For failure to file and maintain the performance bond as described in Section 9.3 (Performance Bond) or to maintain insurance as described in Section 9.2 (Insurance);

(c) For repeated violations, as determined by the Cable Division, of commitments of the license as set forth in M.G.L.c. 166A, § 5(j);

(d) For repeated failure, as determined by the Cable Division, to maintain signal quality pursuant to the standards provided for by the FCC and/or Cable Division;

(e) For any transfer or assignment of the Renewal License or control thereof without consent of the Issuing Authority in violation of Section 9.9 herein;

(f) For repeated failure to comply with the material terms and conditions herein required by M.G.L.c. 166A, §5; and

(g) For failure to complete construction in accordance with the provisions of the Renewal License.

SECTION 9.8 - NOTICE AND OPPORTUNITY TO CURE

In the event that the Issuing Authority has reason to believe that Licensee has defaulted in the performance of any or several provisions of this Renewal License, except as excused by Force Majeure, the Issuing Authority shall notify Licensee in writing, by certified mail, of the provision or provisions which the Issuing Authority believes may have been in default and the details relating thereto. Licensee shall have thirty (30) days from the receipt of such notice to:

(a) respond to the Issuing Authority in writing, contesting the Issuing Authority's assertion of default and providing such information or documentation as may be necessary to support Licensee's position; or

(b) cure any such default (and provide written evidence of the same), or, in the event that by nature of the default, such default cannot be cured within such thirty (30) day period, to take reasonable steps to cure said default and diligently continue such efforts until said default is cured. Licensee shall report to the Issuing Authority, in writing, by certified mail, at forty-five (45) day intervals as to Licensee's efforts, indicating the steps taken by Licensee to cure said default and reporting Licensee's progress until such default is cured.

(c) In the event that (i) Licensee fails to respond to such notice of default; and/or (ii) Licensee fails to cure the default or to take reasonable steps to cure the default within the required forty-five (45) day period; the Issuing Authority or its designee shall promptly schedule a public hearing no sooner than fourteen (14) days after written notice, by certified mail, to Licensee. Licensee shall be provided reasonable opportunity to offer evidence, question witnesses, if any, and be heard at such public hearing.

(d) Within thirty (30) days after said public hearing, the Issuing Authority shall issue a written determination of its findings. In the event that the Issuing Authority determines that Licensee is in such default, the Issuing Authority may determine to pursue any lawful remedy available to it.

(e) In the event that (i) the Issuing Authority fails to issue a written reply within 30 days accepting or rejecting Licensees' response pursuant to 9.8(a) above; (ii) the Issuing Authority fails to issue a written acknowledgement after Licensee's notice that it cured said default pursuant to 9.8(b) above; and/or (iii) the Issuing Authority fails to schedule a public hearing no later than thirty (30) days of having sent a written notice consistent with Section 9.8(c) above and/or (iv) the Issuing authority fails to issue a written determination with thirty (30) days after the public hearing pursuant to Section 9.8(d) above , then the issue of said default against Licensee by the Issuing Authority shall be considered null and void.

SECTION 9.9 - LIQUIDATED DAMAGES

(a) For the violation of any of the following provisions of this Renewal License, liquidated damages shall be paid by the Licensee to the Issuing Authority; provided, however, that liquidated damages cannot be imposed unless and until the Issuing Authority has followed the notice and cure provisions in Section 9.8. Any such liquidated damages shall only be assessed, after a full finding of default according to the provisions of Section 9.8, effective beginning as of the date Licensee received written notice from the Issuing Authority in accordance with Section 9.8 above:

(i) For failure to operate and maintain the Cable System, in accordance with Sections 2.1(c) and 4.1, One Hundred Dollars (\$100.00) per day, for each day that such non-compliance continues;

(ii) for failure to comply with the FCC Customer Service Obligations, and the customer service regulations promulgated by Cable Division at 207 CMR 10.00 et seq., One Hundred Dollars (\$100.00) per day that any such non-compliance continues;

(iii) For failure to build out the cable system in accordance with Section 3.1 above, one hundred dollars (\$100.00) per day that such non-compliance continues.

(b) Such liquidated damages shall be in addition to, and not a limitation upon, any other provisions of this Renewal License and applicable law, including revocation, or any other statutorily or judicially imposed penalties or remedies; provided, however, that in the event that the Issuing Authority collects liquidated damages for a specific breach pursuant to Section 9.9(a) above, the collection of such liquidated damages shall be deemed to be the exclusive remedy for said specific breach.

(c) Licensee shall have thirty (30) days from receipt of written notice from the Issuing Authority to pay the liquidated damages; provided, however, that Licensee may appeal (by pursuing administrative, judicial or other relief afforded by the Issuing Authority) any assessment of liquidated damages within thirty (30) days of receiving written notice of the assessment.

(d) Each of the above-mentioned cases of non-compliance in this Section 9.9(a) shall result in damage to the Town, its residents, businesses and institutions, compensation for which will be difficult to ascertain. The Licensee agrees that the liquidated damages in the amounts set forth above are fair and reasonable compensation for such damage. The Licensee agrees that said foregoing amounts are liquidated damages, not a penalty for forfeiture, and are within one or more exclusions to the term “franchise fee” provided by Section 622(g)(2)(A)-(C) of the Cable Act.

SECTION 9.10 - TRANSFER OR ASSIGNMENT

This Renewal License or control hereof shall not be transferred or assigned without the prior written consent of the Issuing Authority, which consent shall not be arbitrarily or unreasonably withheld. The consent of the Issuing Authority shall be given only after a hearing upon written application therefor on forms prescribed by the Cable Division. Pursuant to 207 CMR 4.01(2), a transfer or assignment of a license or control thereof between commonly controlled entities, between affiliated companies, or between parent and subsidiary corporations, shall not constitute a transfer

or assignment of a license or control thereof under M.G.L.c.166A Section 7. Under 207 CMR 4.00, an “affiliated company” is any person or entity that directly or indirectly or through one or more intermediaries, controls, is controlled by, or is under common control with another person or entity. The application for consent to an assignment or transfer shall be signed by Licensee and by the proposed assignee or transferee or by their representatives, evidence of whose authority shall be submitted with the application. Within thirty (30) days of receiving a request for consent, the Issuing Authority shall, in accordance with State and FCC rules and regulations, notify Licensee in writing of the additional information, if any, it requires to determine the legal, financial, technical and managerial qualifications of the transferee or new controlling party. If the Issuing Authority has not taken action on Licensee’s request for consent within one hundred twenty (120) days after receiving such request, consent shall be deemed given.

SECTION 9.11 – EFFECT OF UNAUTHORIZED TRANSFER ACTION

(a) Any transfer of the Cable System without the Licensee and the transferee complying with Section 9.10 above shall be null and void, and shall be deemed a material breach of this Renewal License and subject to Section 9.8 infra.

(b) If the Issuing Authority denies its consent to any such action and a transfer has nevertheless been effected, the Issuing Authority may revoke and terminate this Renewal License, unless such transfer is otherwise allowable by applicable law.

(c) The grant or waiver of anyone or more of such consents shall not render unnecessary any subsequent consent or consents, nor shall the grant of any such consent constitute a waiver of any other rights of the Town.

SECTION 9.12 - REMOVAL OF SYSTEM

Upon termination of this Renewal License or of any renewal hereof by passage of time or otherwise, Licensee shall remove its supporting structures, poles, transmission and distribution systems and other appurtenances from the streets, ways, lanes, alleys, parkways, bridges, highways, and other public and private places in, over, under, or along which they are installed and shall restore the areas to their original condition. If such removal is not completed within six (6) months of such termination, the Issuing Authority or property owner may deem any property not removed as having been abandoned.

SECTION 9.13 - INCORPORATION BY REFERENCE

(a) All presently and hereafter applicable conditions and requirements of federal, state and local laws, including but not limited to M.G.L.c. 166A, and the rules and regulations of the FCC and the Cable Division, as they may be amended from time to time, are incorporated herein by reference, to the extent not enumerated herein. All such general laws, rules, and regulations, as amended, shall control the interpretation and performance of this Renewal License to the extent that any provision of this Renewal License conflicts with or is inconsistent with such laws, rules or regulations.

(b) Should the Commonwealth of Massachusetts, the federal government or the FCC require Licensee to perform or refrain from performing any act the performance or non-performance of which is inconsistent with any provisions herein, the Issuing Authority and Licensee will thereupon, if they determine that a material provision herein is affected, modify any of the provisions herein to reflect such government action.

SECTION 9.14 - NO THIRD PARTY BENEFICIARIES

Nothing in this Renewal License is intended to confer third-party beneficiary status on any member of the public to enforce the terms of this Renewal License.

SECTION 9.15 – POLICE POWERS

By executing this License, Licensee acknowledges that its rights are subject to the powers of the Town to adopt and enforce general by-laws necessary to the safety and welfare of the public and of general applicability and not specific to this License or to cable operators only. Licensee shall comply with all applicable general by-laws enacted by the Issuing Authority pursuant to any such powers. Any conflict between the terms of this Renewal License and any present or future exercise of the municipality's police and regulatory powers shall be resolved by a court of appropriate jurisdiction.

SECTION 9.16 PERFORMANCE EVALUATION HEARINGS

- (a) The Issuing Authority may hold a performance evaluation hearing during each year of this Renewal License. All such evaluation hearings shall be open to the public. The purpose of said evaluation hearing shall be to review the Licensee's compliance with the terms and conditions of this Renewal License, with emphasis on PEG access channels, facilities and support, customer service and complaint response.
- (b) The Issuing Authority shall have the right to question the Licensee on any aspect of this Renewal License including, but not limited to the installation, maintenance or operation of the Cable Television System. During review and evaluation by the Issuing Authority, the Licensee shall fully cooperate with the Issuing Authority and/or its designee(s) and produce such documents or other materials relevant to such review and evaluation as are reasonably

requested from the Town in order to review compliance with the Renewal License. Any Subscriber or other Person may submit comments during such review hearing, either orally or in writing, and such comments shall be duly considered by the Issuing Authority.

- (c) Within sixty (60) days after the conclusion of such review hearing(s), the Issuing Authority shall issue a written report with respect to Licensee's Compliance with the Renewal License and send one (1) copy to the Licensee and file one (1) copy with the Town Clerk's office.
- (d) If inadequacies are found by the Issuing Authority which result in a violation of any of the provisions of this Renewal License, the Licensee shall respond and propose a plan for implementing any changes or improvements necessary.

ARTICLE 10

Such declaration shall not affect the validity of the remaining portions hereof, which other portions shall continue in full force and effect.

SECTION 10.2 - FORCE MAJEURE

If for any reason of force majeure Licensee is unable in whole or in part to carry out its obligations hereunder, said Licensee shall not be deemed in violation or default during the continuance of such inability. - Proof of Age: Drivers License, Birth Certificate, or Passport
- Head of Household: Lease, Deed, Town Tax Bill
- Receiving SSI or Medicaid benefits under Social Security

This discount will be available no later than 90 days from the effective date of the recently executed Cable Television Renewal License.

Comcast reserves the right to modify or eliminate such program at its sole discretion. In the event Comcast adopts and offers a statewide senior citizen discount program, Comcast reserves the right to implement such program, after reasonable written notice to your office.

Sincerely,
Catherine Maloney

Order O-FY23-047: 2023 Election - Debt Exclusion Ballot Question

ORDERED: (1) that the Town of Bridgewater, pursuant to G.L. c. 59, § 21C(a), shall seek voter approval at the next election on April 22, 2023 to assess taxes in excess of the amount allowed pursuant to G.L. 59 § 21C for the payment of the Town's share of the principal and interest on bonds, notes or certificates of indebtedness, issued by the Bristol-Plymouth Regional Vocational Technical School District to pay costs of the funding of the demolition of the current Bristol-Plymouth Vocational Technical School, 207 Hart Street, Taunton, MA 02780, and the construction of a new Bristol-Plymouth Vocational Technical School on the same site, including the payment of costs incidental or related thereto;

(2) to that end the Town Clerk is hereby directed to place the following question on the ballot:
Shall the Town of Bridgewater be allowed to exempt from the provisions of proposition two and one-half, so-called, the amounts required to pay for the Town's allocable share of the bond issued by the Bristol-Plymouth Regional Vocational Technical School District to pay the costs of demolition of the current Bristol-Plymouth Vocational Technical School, 207 Hart Street, Taunton, MA 02780, and the construction of a new Bristol-Plymouth Vocational Technical School on the same site, including the payment of costs incidental or related thereto?

Yes ____ No ____

Explanation:

On March 5, 2022 voters approved the construction of the Bristol-Plymouth Regional Vocational Technical School. This ballot question deals with the payment of the Town's portion of the construction costs. A "yes" vote will allow the Town to pay its share of the new school by excluding the annual cost from the provisions of Prop 2 ½. A "no" vote will require the Town to pay the cost through its general fund budget. It would force significant reduction of other municipal services. For FY2023, the median house would pay an additional \$8 per year. In the following 29 years, the median house would pay approximately \$33 per year. Since the calculation is based on the number of Bridgewater students attending Bristol-Plymouth, these number are approximate and based on this year's enrollment numbers.
