- 3) Tree Watering**

- 5) CVS Trees Update**

Paul has not had any luck getting in touch with someone to discuss the replacement of the decaying trees. The trees have been removed, but no new trees have been planted.

6) Recommended Trees

James shared the list that him and Pat Neary came up with for recommended Trees in the town. They will continue to research and edit the list of trees that can be planted in Bridgewater. Once finished, the committee will review the list before taking a vote.

7) Cherry Picker

The committee discussed the possibility of completing an economic analysis for a forestry department vs hiring outside services for maintenance of trees. The discussion included the cost of a cherry picker and a full-time position to maintain healthy trees within town.
