New Business

Request for Determination – 683 Bedford St—Map 75 Lot 31

Applicant / Representative: Zahid Durrani / Kenneth Thompson

The commission circles back to this item.

Mr. Thompson shares his screen to show the buffer zones and wetland lines. He stated he went to the vernal pool that was just outside the neighbor's property, noting there were salamander eggs in there. He would like the members to come out and look at the site to confirm the lines and boundaries.

Member Prisco shared she had done work for the applicant in the past, she does not feel she would be conflicted in voting.

Mr. Thompson requests a continuance to allow members to go to the site.

Motion to continue to the June 8th meeting, made by Member Prisco, Seconded by Member Bailey.
