Administrative Items

1185 Pleasant Street Discussion

-Eric Dias, Strongpoint Engineering, shares the site design, to point out where the wetlands are located on the site. He goes on to talk more in depth about the vernal pool, and the standards to be considered a vernal pool. Members agree an NOI will be necessary to submit, a site visit also seemed desirable before the July 13th meeting.

Adjournment

Member Bailey moves to adjourn, Member MacDonald seconds.
