

SITE VISIT**BRIDGEWATER PLANNING BOARD****April 5, 2024**

The Planning Board conducted a site visit on Friday April 5, 2024, to view the area where a new development is proposed mentioned below:

- **815 Bedford St (Map 88, Lot 23) – Site Plan Review (Section 10.6) for new commercial/retail building as well as self-storage facilities and other site improvements**

Board Members in attendance (Pat Driscoll, Steven Geller, and Ted Haley) met at the location at 12:00 pm. There was no testimony taken at this site visit nor deliberations by any of the Board Members.

In attendance for Staff was Town Planner Shane O'Brien and Assistant Planner Sristhi Jain. In attendance were members of the public and members of the applicant's team include Larry Silva, Engineer of Record for project. Questions from the Board asked were: confirming the stake locations of the proposed buildings (shown on plans and attached); confirmation of elevation changes on the site; and confirmation of driveway entrances.

The Site Visit concluded at 1:00pm.
