Site Visit Agenda

Monday, January 6, 2025 – 10:00 am

The Planning Board will be conducting a site visit on January 6, 2025 at 10:00 am, to view the area where a new development is proposed as mentioned below:

43 Rear Central Square - (Map 34, Lot 66) – Site Plan Review (Section 10.6) and Special Permits (Sections 6.1.4 and 9.6) to convert an existing manufacturing building into a mixed-use building with six (6) units.

Planning Board Members will meet at Site. Those members of the public who wish to attend must stay with the Planning Board group.

There will be no testimony taken at this site visit nor deliberations by any of the Board Members.
