8. Article 11 – Sick Leave

Amend to read as follows:

11.0 Employees who are regularly scheduled to work at least ten (10) hours per week shall be entitled to paid sick leave at the rate of fifteen (15) days per calendar year, to be pro-rated according to hours of work for part-time employees and credited on January 1. For employees of less than one year of service, sick leave shall be accumulated at the rate of one and one-quarter (1 1/4) days per month, for a full month served prior to the employee's first January 1. On the new employee's January 1, he/she shall then be credited with fifteen (15) days for the upcoming calendar year.

9. Article 11 – Sick Leave

Amend to read as follows:

11.2 Upon return to work following an absence in excess of three (3) consecutive work days, an employee may be required to undergo a medical examination to determine his/her fitness for work. In cases of illness, such above mentioned physical examination shall be conducted by the employee's own physician, at the employer's expense. In cases of injury related to the actual performance of duty, such examination shall be conducted in accordance with the following:

Employees who sustain work related injuries or illnesses shall inform their supervisor immediately. Supervisors/Department heads shall notify Human Resources of the injury or illness. No matter how minor an on the job injury may appear, it must be reported immediately. Some examples include, but are not limited to, slips, trips, falls, near misses, malfunctioning or damaged equipment, citizen or visitor injury, theft, threats or actions of violence. The employee, in conjunction with their supervisor and/or department head, must submit a completed accident or property damage report within twenty-four (24) hours of the incident. This will ensure compliance with OSHA and enable an eligible employee to qualify for coverage as quickly as possible

The Town will maintain Workers' Compensation insurance to cover injuries or illnesses that arise out of employment and occur during the course of employment pursuant to Massachusetts General Laws Chapter 152. This insurance provides medical, surgical, or hospital treatment in addition to payment for lost earnings that result from work-related injuries. Any employee who suffers an on-the-job injury or illness, no matter how minor, must report that injury or illness to the appropriate supervisor and/or Department head and the Town Manager's Office. Injuries that occur during an employee's voluntary participation in any off duty recreational, social, or athletic activity are not compensable under the Massachusetts Workers' Compensation Act. The salary compensation under worker's compensation is calculated at 60% of the average weekly wage of the employee.

If an employee has accumulated leave and requests to do so, the difference between the worker's compensation pay and their regular pay may be charged to accumulated sick, vacation, or compensatory time leave so that the employee receives 100% of his/her weekly gross payroll. The employee may also elect only to receive the worker's compensation. No deductions are made from the worker's compensation check and therefore the employee must make arrangements for voluntary deductions such as health insurance
